### **FOR OFFICIAL PURPOSE:**

**Abstract No:** (to be filled by office)

**Title:**

**Author:**

**Affiliation:**

**Acknowledgment:**

### **RULES:**

- Text limit of 2,500 characters (including spaces) for the body of the abstract. The size limit includes characters and spaces in the Abstract Title and Abstract Body.
- Please note that spaces are included in the overall character count. The size limit does not include author information or reference sections.
- All abstract submissions must be written and presented in English.

When compiling your submission please note the following:

- Do not include any identifying information directly on the abstract.
- Do not include branded product names in the abstract. If the abstract is found to contain marketing, rather than scientific content, the abstract will be rejected.
- Only non-proprietary (generic) drug names should be used and should be written without capitals.
- The use of standard abbreviations is desirable. A special or unusual abbreviation should be placed in parentheses after the first appearance of the full word for which it stands.

Abstracts should be arranged as follows:

|                     |  |
|---------------------|--|
| <b>Title:</b>       |  |
| <b>Objective:</b>   |  |
